- We establish, promote and reinforce expectations for behaviour in class, on the playground and around the school
- We prevent and respond to student behaviours of concern
- Restorative practices and reflection time

*Parents and carers play an important role in our school community. Student wellbeing is enhanced when the school and families work in partnership. The Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.*

# Mobile Phones, Smartwatches & Devices

- The Department of Education has clear guidelines around the use of mobile phones and smartwatches. Please see [Student Use of Mobile Phones in Schools](#)
- Our school's expectations are outlined in our *Mobile Phone and Smartwatch Policy Agreement*
- This applies to **all devices where communications and recordings may be made**, including junior versions of a smartwatch, and walkie talkies.

# Non-DoE Online Gaming / Social Media / Messaging

- We understand that a number of Stage 2 children enjoy playing and communicating with their friends through a range of online apps and games at home.
- Whilst student use of these platforms is at the discretion of parents, we ask that you please be **hyper vigilant and closely monitor images, text and audio** while your children engage with these.
- Unfortunately, problems that arise online outside of school hours, flow back into school resulting in unwanted learning disruptions.
- Please note that official DoE Aps such as **Google Classroom and Minecraft for Education are closely monitored.**

# Absences

- Attendance is regularly monitored by the school and a Home-School Liaison Officer
- SENTRAL will automatically push out unexplained attendance notifications. **Please ensure you have downloaded the SENTRAL for Parents App and update your details via the office.** Please see or call our office for SENTRAL help.
- A note explaining the reason for your child's absence is required within 7 days
- These notes may be submitted online via SENTRAL or to your child's teacher.

## Partial Absences

- Please try to avoid, where possible, appointments during school hours
- It is also important to be punctual to school

## Making appointments

- Please see the class teacher first for any issues of concern
- An appointment may be made by contacting the school.
