BAND

HOW DOES THE PROGRAM WORK?

Students will have 2 sessions each week - a small group instrumental tutorial and a full band rehearsal.

WHAT DOES THE PROGRAM COST?

Tuition fees are \$205 per term (GST incl), which covers both band rehearsals and tutorials. There is also an initial cost of \$40 for your beginner pack (Percussion \$55) which will contain your tutorial book, music band bag, as well as other essential starter items (This cost can be spread over the course of your years tuition)

HOW DO WE GET AN INSTRUMENT?

Bandemonium Instruments

Bandemonium has a wide range of instruments that can be rented or purchased outright. Once your child has been placed on an instrument, there will be information on our instruments in the enrolment process.

School Instruments

Some schools have a range of instruments that can be rented directly from them. If this is your school, we will be in contact after the audition process with all options to obtain an instrument.

COMMITMENT

Learning an instrument is a very fun and enjoyable process that takes time and consistent effort, so we ask students to commit to the **whole year** of Training Band. Students then have the option of joining the more advanced Concert Band. For optimal results students need to practice regularly, attend band sessions and tutorials and enjoy being part of the team.
