EPS Drama Enrichment Showcase

Thursday, 26th September 2024

Dear Parents and families,

As a part of the Drama Enrichment Program that your child has been involved in this term, we would like to warmly invite you to come and be a part of the final showcase. The showcase will exhibit all the students' skills that they have worked hard to develop during the program. Students will showcase a range of games (theatre sports) that they have learnt to master the skill of improvisation and maintaining characters alongside displaying an enchanting story come to life.

The showcase will be on Friday 25th October, from 2:00pm – 2:45pm in the school hall. Student work samples and photos will be available to view on your arrival.

We are so incredibly proud of this collective of students and their incredible efforts to grow as drama experts this term. This is an exciting moment to celebrate your child's achievement and success in the Drama Enrichment Program, and we look forward to seeing you there.

Kind regards,

Mrs Williams

Principal

Miss Flanagan

Drama Enrichment Coordinator
