This disco is available to current LPS students only. This is a 'drop and go' event but parents must return by 7pm in preparation to start picking up children. All children must be signed in and out and will be provided a wristband. The classroom outside the hall will be used as a quieter space for any student who wants a break and a space to chill. Ear plugs will be available for anyone who wants them but if your child is particularly sensitive to noise you may like to send them with their own earmuffs etc.

The canteen will be open, and the P & C and Year 6 will have items for sale. Details to come. If any parents would like to help out on the night please contact Mel: 0405142403 or Natasha 0400576520. All volunteers will need to have completed the Working with Children Statutory Declaration from the School Office.
