LPS INVENTOR ROBOTICS SHOWCASE

Wednesday 4th December, 2025

Dear Parents and Families,

This term, your child has been an active participant in the Inventor Robotics Enrichment Program, and we are delighted to invite you to the Final Showcase to celebrate their accomplishments.

The showcase will feature the students' technical expertise, creativity, and coding skills as they present their amusement park ride projects, designed and built using Lego Spike Prime. Their journey has involved extensive research, planning, and hands-on problem-solving, and we are immensely proud of their efforts.

Event Details:

Date: Friday, 13th December

Time: 2:00 PM – 2:45 PM

Location: School Library

This is a wonderful opportunity to recognise your child's achievements and witness the impressive results of their dedication and teamwork in the Inventor Robotics Enrichment Program. We look forward to sharing this special moment with you.

Kind regards,

Mrs Williams
Principal

Mrs Duffy
Teacher Librarian
ICT Coordinator
