REGULATIONS AND FRAMEWORK

Our OOSH Services are approved by the Australian Children's Education and Care Quality Authority (ACECQA) and our quality and compliance is monitored by the NSW Regulatory Authority.

Our Services comply with the National Quality Framework (NQF) including the National Quality Standard (NQS). The Centre Educators are suitably trained and implement the My Time, Our Place Learning Framework. The "My Time Our Place" framework fits into Quality Area 1 of the National Quality Standard for school aged care. It enables Educators to use an approved learning framework to ensure children develop the skills they need for their personal growth and development. A copy of the regulations, framework and the Quality Improvement Plan are available in the office area for you to read.

For further information in relation to the framework you can visit www.mytimeourplace.com.au

PRIORITY OF ACCESS

The Centre will use the priority of access guidelines set down by the Federal Government to ensure that care is available for families who require care, based on work and study commitments.

The guidelines are as follows:

- Priority 1 is given to children at risk of serious abuse or neglect.
- Priority 2 is given to children of a single parent or parents who are working, studying, or undergoing training, either full time or part time.
- Priority 3 is given to any other child.

Please refer to our Enrolment Policy for more information about the Department of Family and Community Services and Indigenous Affairs, for Priority of Access.

ASSESSMENT & RATING

Our services aim to at least meet National Quality Standards. Our services are assessed and rated by the NSW Department of Education's Early Childhood Education Directorate against the 7 quality areas of the National Quality Standard. Our services ratings are displayed on entry. Family feedback and ideas are welcomed and contribute to continuous improvement.

TYPES OF CARE AVAILABLE

We can only take a permanent booking for child care if there is a need for at least a **month or more worth of bookings**. Depending on availability, casual care is available for families who do not require permanent care. After an enrolment form has been submitted and bank details entered, extra bookings can be requested via our Child Care Management System which is called Xplor.

NOTIFICATION OF ABSENT CHILDREN

Parents **MUST** notify the staff if children will be absent from any session. This can be done in person, via email or SMS or via the XPLOR app or web.

ADDITIONAL SESSIONS

Families attending OOSH who need an additional permanent booking will need to notify the Coordinator via email or waiting list form. If there is a vacancy the place will be made available immediately, however if there are no vacancies, the child is then placed on a waiting list. When a position becomes available, families will be notified. Should a family decline the position, their lodgement date will be altered to the date when the position was declined. Families may be required to complete a new Enrolment Form upon request.

CANCELLATIONS OF BOOKINGS

Families who wish to cancel a permanent session will need to provide this information in writing by giving **two weeks' notice** to the centre. Families who wish to cancel a casual booking must notify the Centre as least **24hrs prior to the booked date**. Sessions will be charged if appropriate notice is not given.

DROP OFF AND PICK UP REQUIREMENTS - SIGN IN/ OUT

As part of CCS Regulations and Compliance requirements, **ALL CHILDREN** must be signed in when they arrive and signed out when they leave the service. The person signing must have an Xplor Log-in, be **18 years or over** (unless under special circumstances) and must be listed as an authorised person. Alternative arrangements must be communicated to the Coordinator in writing or by telephone. Should a child leave the school grounds whilst at OOSH, the staff will contact the family immediately whilst another member of staff follows the child. If the child does not return to the Centre within 15 minutes the parent or guardian will be contacted to collect their child. Please remind your child/ren they are never to leave the centre or school grounds whilst attending OOSH until they have been collected by an authorised person.

AUTHORITY TO COLLECT YOUR CHILD

If you are unable to collect your child from the Centre, it is very important to notify the staff at the Centre, so that they are aware of who will be collecting your child. **Only the authorised people on the enrolment form who are listed as authorised contacts will be permitted to collect your child.** Alternative arrangements must be communicated in writing to the Coordinator. It is the policy of JCS that under no circumstance are children who attend the Centre to be collected or dropped off by any staff member or volunteer working at the Centre.

COLLECTION OF CHILDREN - AFTER 6 PM

If your child has not been collected by closing time, 6.00pm or 6.30 pm depending on the service and no contact has been made by the parent or guardian to inform staff, then the staff will take the following steps:

- Make every effort to contact parent or guardian.
- If unsuccessful, then emergency contacts on registration form will be contacted.
- At 6:30 pm (or 7pm for 6.30pm closing service), if no contact has been made, the staff will contact the local police and NSW Department Family and Community Services.

PROCEDURE FOR CHILDREN TO ATTEND AFTER SCHOOL CARE

Educators collect Kindergarten children enrolled from their designated pick up area. Children in Year 1 – 6 are required to walk straight to the OOSH premises after the school bell, where they will meet an Educator. Parents need to ensure that children are aware of the meeting area and that they are expected to arrive within 5 – 10 minutes after the bell. The roll is taken to ensure all children booked in are accounted for. Any child not booked in but is fully enrolled and registered will be cared for, the family contacted and added to the roll and charged. Any child not enrolled, or who has not confirmed their bank details via the Xplor App will be taken to the school office to be collected by the family.

We encourage all families to enrol in the service so if you cannot collect your child for some unexpected reason, you can have them cared for by OOSH.

HOW TO PUT YOUR BOOKING ON HOLD

In circumstances where sufficient notice can be given, e.g. holidays or prolonged illness, families may choose to pay a holding fee (50% of their regular weekly fee – no CCS is payable on this fee) to hold their place at the centre. The place may be held for a minimum of 2 weeks to a maximum of 1 month, or at the Coordinators discretion.

FEE PAYMENTS

- JCS uses an online child care management system, called Xplor. The system allows you to set up your direct debit details, access statements, see your absences, CCS activity and so on.
- The system also allows you to sign your children in and out contactless with a QR Code scanner from your phone or using a phone number and PIN code.
- Once you have sent us your enrolment pack, we will send you a welcome letter with directions on how to set this up. You must then (via the web, not the app) enter your bank account or credit card details before your enrolment is confirmed.
- Direct debits are processed each fortnight on a Tuesday. Statements will be available at any time, on the digital APP or via your account on the Xplor website.
- If your direct debit is unsuccessful, we will notify you and then direct debit again, within the following 7 days. If a second attempt is unsuccessful you may lose your permanent booking and will need to re-apply.

ABSENT CHILDREN - FEES

When booking your child into Vacation Care it is important to select your days carefully as there are **NO REFUNDS or options to cancel bookings once they have been accepted and confirmed**. This is due to the Centre organising staffing, entertainment and transportation costs which are confirmed and unable to be changed. If your family feels they have a unique circumstance which may require a refund or part of, you may

place your request in writing to the Coordinator. It will be left to the discretion of the Coordinator and your family will be notified in writing of the decision.

PUBLIC HOLIDAY FEE

If a public holiday falls on the day of a permanent booking that you hold for OOSH, you will be charged for this day.

CHILD CARE SUBSIDY (CCS)

The hours of subsidised childcare per fortnight that a family is entitled to is determined by an Activity Test and your family income. Depending on these factors, a family can receive up to 100 hours of subsidy per fortnight per child. Both the claimant, and their partner if they have one, must satisfy the activity test unless there is an exemption. For claimants who are partnered, the number of subsidised hours the family is entitled to will be based on the member of the couple with the lowest activity test result, even when an exemption applies.

Please ensure you have provided your CRN (parent who is CCS account holder) and your child's CRN on the enrolment form. For more information about CCS see

<https://www.servicesaustralia.gov.au/individuals/services/centrelink/child-care-subsidy/how-much-you-can-get>

FAMILY SKILLS, INTERESTS AND TALENTS

We welcome and encourage the involvement of all parents/families at the Centre. Your ideas, experiences and skills are greatly valued and will enable us to extend each child's interests, abilities and knowledge. There are many ways for your family to be involved. Your contribution no matter how big or small is much appreciated.

YOUR OCCUPATION OR HOBBY OR HOME CULTURE

You are the most important person in your child's life so we would like to encourage and welcome all parents to the Centre to talk about their occupation or hobby (e.g. music, craft, cooking) or aspects of your home culture. Everything parents do interests children and these talks are the best educational resources you can provide for the Centres. We use information that has come from discussions about occupations and hobbies in our programming and the ideas generated from parent talks can last for weeks.

ACTIVITIES

Play and social interactions are an important part of our sessions. The children will have access to a wide variety of safe, stimulating play opportunities such as arts, crafts, sports, games, music, drama, quiet play, homework time and time to talk with staff and friends. Activities are planned and reviewed with the children. Please feel free and provide your ideas and comments on our programs and activities. As 'messy activities' are a part of our program, children are encouraged to bring a change of clothes to OOSH. Aprons are supplied for the children and every effort is made to ensure that their uniform is kept clean, however this cannot be guaranteed.

BEHAVIOUR

The Centre adopts a 'Hands Off' Policy. Physical aggression towards another person will not be tolerated under any circumstances. Should an incident occur a behaviour incident report will be completed, and the incident discussed with the parent/guardian.

For the benefit of all the children and the effective operation of the Centre, a certain level of behaviour is expected from children. Staff have the right to exclude a child for unacceptable behaviour. However, this will only be considered after:

- Parents have been notified and given the opportunity to discuss their child's behaviour.

- Adequate support is provided.
- All other avenues have been explored.

Note: Each warning remains valid for a term, excluding warning number 3 or a “critical incident” which is permanent termination of childcare.

Should unacceptable behaviour continue, and our internal procedure is not effective, the staff will inform the General Manager of Jubilee Community Services Inc. that expulsion is recommended. If this has occurred, families will be given the opportunity to discuss their child’s behaviour with the OOSH Coordinator and the General Manager, and clear procedures will be established for accepting the child back into the Centre.

ENTERTAINMENT

At times, movies will be on the program. JCS provides a balanced program of experiences. Any movies at the cinema (during Vacation Care) or shown at the centre are G & PG rated. Computers may sometimes be used as a tool to assist Educators and children during activities and at times, be used for G rated games (at the educator’s discretion). Chat programs, YouTube and other Social Networking sites are not permitted. **WE DO NOT ALLOW CHILDREN TO BRING IN THEIR OWN PERSONAL DEVICES AS WE CANNOT EFFECTIVELY MONITOR THE APPROPRIATE USE OF THE DEVICE AND WEBSITES THAT CHILDREN MAY GAIN ACCESS TO.**

EXCURSIONS

Excursions are planned for the children’s enjoyment. The Centre aims to include new ideas, new challenges, physical activities and old favourites. The children are involved in the planning of excursions and asked for their feedback and ideas.

EXPECTATIONS OF OUR CENTRE

To achieve and maintain a positive and cooperative environment within the Centre all the staff, children and visitors are asked to respect the expectation below:

Any child suffering from an infectious disease will be refused access to the Centre until the child is fully recovered and a Doctor's Certificate/Clearance is provided. Should an outbreak of an infectious disease be present at the Centre, families will be notified. On the Registration Form authorisation is given to allow the authorised supervisor to seek medical attention if required. In the case of an injury, staff who hold current First Aid Certificates will assess the situation and treat minor injuries, or if in doubt, contact the family immediately and call an ambulance. Details of all injuries will be recorded on an Incident Form for the parent/guardian to read and sign.

MANAGING SERIOUS MEDICAL CONDITIONS

To minimise the risk of serious medical conditions such as asthma, anaphylaxis, diabetes, epilepsy negatively impacting your child's health, JCS collaborates with families as follows:

It is the child's parent(s) or nominated guardian's responsibility to ensure full disclosure of medical conditions on the enrolment form and to the service's nominator supervisor.

For a child with a serious medical condition i.e. asthma, diabetes, allergy or anaphylaxis, the child's parent will:

- Be aware of Jubilee Community's Dealing with Medical Conditions and Medication Administration Policy
- Provide a Medical Management Plan completed and signed by the child's doctor. Updated annually.
- Complete and update a Medication Authorisation Form.
- Supply medication (not expired).
- Discuss with nominated supervisor and sign a Risk Minimisation Plan– noting any triggers specific to your child and risk control strategies.

Forms available on request from service.

Please note: It is a requirement under National Law and Regulations that children who have known medical conditions are not permitted to join a care program without these items being present and up to date.

MEDICATION

No medication, including non-prescription drugs and painkillers will be administered without one or both of the following:

- Signed and date Medication Authorisation Form from parent or guardian.
- Prescription label on medication detailing the doctor's name, child's name, dosage, and date.

The parent/ guardian must hand medication to the OOSH Coordinator, complete and date both a medication form with details of the child's name, date, medication, dosage, and time the medication is to be administered and sign a Deed of Indemnity Form to allow staff to administer medication. When medication is being administered, two staff members will be present. Both are required to sign the medication form and return the medication to the appropriate place. No medication will be given to the child to take home. It is the responsibility of the person collecting the child to ask for the medication or collect it from the appropriate place.

- For asthma or anaphylaxis, an action plan signed by a Doctor or medical practitioners and a Risk Management Plan must be completed by the parent and discussed with the Coordinator.

NO HAT, NO PLAY POLICY

Please be aware children can play outdoors and although there are shaded areas, the equipment area is not shaded. We always enforce a 'NO HAT, NO PLAY' policy for children when the UV Index is 3 or higher. Children need to bring their own sunscreen and parents / guardians are asked to encourage their child to reapply throughout the session, particularly during Vacation Care Days. Our services are registered SunSmart Centres.

PERSONAL POSSESSIONS

Please discourage your child bringing toys and valuables to the Centre. Articles brought to school for projects may be left in the office for safe keeping during the session.
