Newsletter: 31st Aug 2021, Week 8 Term 3

MESSAGE FROM THE PRESIDENT...

Thank you to everyone who came along to our August P & C meeting.

Due to the current Covid situation we are unable to run our usual father's Day gift stall and breakfast. Instead the P & C is funding a fun art event for all students this Saturday 4th September at 11am via zoom with the talented Andronika from 'That Art Place'. Zoom details are in the attached flyer, no RSVP needed. Dad's are encouraged to join in to, however kids can also join in on their own and do an artwork for Dad/Grandad/Father figure in their life. Also check out our Father's Day coupons below which you can print out and make into a voucher book for Dad (thanks Louise Cuthbert).

Thank you to Jasmine Theophile, our P & C Vice President, for arranging Louie Lueng (Community Educator) to do a Recycling Kahoot for us. Louie has kindly put together a flyer on what can be recycled below. Also check out the flyer regarding the 2040 movie screening and Q & A session.

Don't forget our Kite fundraiser. Log onto Qkr! and order your kite today. All money raised goes back into resources for our kids. Why not purchase a few and put away for Christmas gifts for friends and family or share the information with friends and family and order some kites on their behalf.

Regards,
Mel Porter

Great quality kites in 6 different designs - great for gifts – this fundraiser will hopefully go ahead later this term. Kites will cost \$20 and orders will be via Qkr! only. Great Christmas present idea. Each kite is 90cm wide, made from durable ripstop polyester and made by an Australian owned and operated company. Suitable for ages 2 – 12 years. Check out the video (via the P & C Facebook Group and Google Classroom) with our very own Kailani from Year 1 showing us the kite in action. Big shout out to Janine Ferris for putting this together.
