Newsletter: 8th June 2021, Week 8 Term 2

MESSAGE FROM THE PRESIDENT...

It has been great to see the new Play Space open for business! By all accounts the students have enjoyed this new space. Now that this project is complete, it's time to move onto the next one. Here is an outline of what the P & C are aiming for this year in terms of funding projects:

- Air conditioning for the hall (hopefully funded with a grant which we are awaiting the result)
- Additional laptops for all students to use (funded from our upcoming Trivia Night)
- new sports equipment (funded from our Colour Run in Term 4)

Thank you also to Jasmine Theophile who successfully submitted a grant to the Planet Ark Seedling Bank for \$250 for shrub seedlings.

Just a reminder to pay for the school disco which is being held on Friday 18th June. Payment due by 15th June. The canteen will also be open on the night and some glow products will be sold by the P & C and Year 6. Prices and products available can be found at the end of the newsletter.

Also, lunch orders for the Athletics carnival close on Qkr! on the 20th June. Remember to order for everyone attending (including parents/grandparents/siblings).

Regards,
Mel Porter

GRANTS/PROJECTS

- Last year we were successful in being approved for \$5,256 in the 2020 Community Building Partnership Grant via Mark Coure's Office. This grant was for a revamp of the student toilet blocks. Part 1 has now been completed which involved replacing all the taps to 'time flow' ones to enable students to more easily wash their hands without having to have one hand on the tap. Part 2 will involve the toilet doors being decorated with motivational/inspirational pictures and messages. We are seeking volunteers to be involved in this project and to assist with the work. If you are interested in being involved, perhaps you are artistic/handy/ creative or just happy to help out with non-creative stuff, then please get in touch to be part of the working group. The work itself would be conducted over a few weekends on suitable dates to the team involved:
president@lugarnopandc.org.au
- Bread Bags and Tags recycling: As part of the Wonder Recycling Program LPS is collecting bread and wrap bags and tags. These do not have to be the Wonder brand, any brand is fine. Please collect them and place in the collection box outside the library to help our school get some new sports equipment.
- \$250 Planet Ark Seeding Bank grant for shrub seedlings for our school.
- We are also always looking for donation to our Building Fund. See details in the flyer below on how to make your tax deductible donation.

Bookings can be made for 2 – 5 people per room and for some rooms they have two identical ones so you can race against friends or family! You have 1hr to work out the clues and escape from the room. There are a few places around and worth checking out.
