TELL THEM FROM ME PARENT SURVEY

Tuesday, 30 August 2022

Dear Parents and Carers,

We value your feedback about our school and would appreciate if you could complete the online *Tell Them from Me Parent Survey*. This survey takes approximately 15 minutes and provides our school with very valuable information about the effectiveness of our learning and wellbeing programs so that we may reflect and improve on our practices. The information that you provide will be completely anonymous; we receive data without names. A fact sheet with answers to Frequently Asked Questions and this letter can be found on the school website in the Resources/Notes Home tabs.

Please use the link below to access the survey and complete by Friday 23 September. Alternatively, use the digital link on the school website for direct access.

Kind Regards,

Mrs Harris
TTFM Survey Organiser

Justine Williams
Principal

Tell Them From Me parent survey Frequently Asked Questions (parents and carers)

Centre for Education Statistics and Evaluation

1. What is the Partners in Learning parent survey?

The Partners in Learning parent survey is part of the *Tell Them From Me* suite of surveys on student engagement. The parent survey helps to clarify and strengthen the important relationship between parent and school.

The survey is designed to measure, assess and report insights from the parent point of view at the school and system levels. The focus of this NSW survey is on student wellbeing, engagement and effective teaching practices.

2. What kind of questions will the survey ask?

The survey questions aim to understand parents' perspectives on their child's experience at school, including teaching, communication and the school's support of learning and behaviour. The survey also aims to understand parents' perspectives on activities and practices at home related to their child's learning.

The survey will ask parents questions about:

Parents feel welcome	Parents are informed	Parents support learning at home
School supports positive behaviour	Safety	Inclusion
Communication preferences	Parents' participation at school	School supports learning

3. How have schools been selected to take part?

The survey is open to all NSW government schools at no cost to them. Your school has decided to participate.

4. How will taking part in this survey benefit my child's school?

The parent survey provides school principals and school leaders with parents' perspectives on their school as well as learning at home. Communication between parents and staff, activities and practices at home, and parent views on the school's support of learning and behaviour help build an accurate and timely picture that schools can use for practical improvements.

Data collected from the survey responses are quickly compiled into reports for school leaders. Principals can then use this information to help them identify emerging issues and plan for school improvement.

5. How does the parent survey relate to the student survey?

The parent survey is complementary to the *Tell Them From Me* student survey that your child may have been asked to complete. These surveys are offered (along with a teacher survey) to ensure schools can capture the views of students, teachers and parents.

For more detail on each of the surveys, see the survey website: <http://surveys.cese.nsw.gov.au/>

6. What do I need to do to participate in the survey?

The survey typically takes 15 minutes and is conducted entirely online through a secure website operated by the survey developers, *The Learning Bar*. You can complete the surveys on desktop computers, laptops, ipads, tablets and smartphones. You will be provided with a link to complete the survey at home or your school may make computers available so that you can complete the survey during school hours. This link will be distributed to you by your school during Term 3.

7. Do I need to participate?

No, participation in the survey is optional. Whilst your responses are very much appreciated, if during the survey, you feel uncomfortable, you can stop the survey at any time. The majority of questions in the survey can be skipped.

8. Will the school be able to identify me or my child from my responses?

Survey responses are anonymous so staff in schools will not be able to identify individual parents or students from parent responses. Data suppression rules are applied to the school reporting tools where there are fewer than five responses. In other words, schools only see responses to questions which have been answered by five or more parents.

9. What sort of analysis will be done of the survey data?

Once the surveys are completed, reports are prepared and in most cases are available to schools within three business days. School leaders can use the data to better understand the experiences and views of parents at their school.

CESE will undertake state-wide analysis of the survey data in conjunction with existing student data held by the department, including performance data. The results will help all schools better understand the relationship between

parents and students' engagement, students' wellbeing, effective teaching and student learning. Results from CESE's analysis of this data will also help teachers and principals discuss what works to improve student outcomes. This supports the department's continuing focus on quality teaching and leadership. The data will be retained for future analysis to help us better understand the nature of student engagement and wellbeing over time.

10. When will the Partners in Learning survey happen?

The surveys will be conducted in all participating schools between Monday 27th August (Week 6, Term 3) and Friday 26th October 2018 (Week 2, Term 4).

What is CESE?

The Centre for Education Statistics and Evaluation (CESE) is part of the Department of Education.

CESE has been established to improve the effectiveness, efficiency and accountability of education in New South Wales. CESE will identify and share what works, creating new opportunities to improve teaching and learning across all of education.

More information about CESE is available at: www.cese.nsw.gov.au

What is *The Learning Bar*?

The Learning Bar is a Canadian education company that specialises in school surveys for both primary and secondary students. Its survey, *Tell Them From Me*, is the largest national school survey in Canada, used in nine of Canada's ten provinces. More than 6,300 schools and 5.4 million students have participated in the survey. Australian schools have been participating in the *Tell Them From Me* surveys since 2012.

The Learning Bar is led by Dr J Douglas Willms. Dr Willms is the President of the International Academy of Education, a Member of the US National Academy of Education and a Fellow of the Royal Society of Canada. He recently held the Tier 1 Canada Research Chair in Literacy and Human Development for 14 years. Dr Willms has played a lead role in the development of questions for the OECD's Programme for International Student Assessment (PISA).

More information about *The Learning Bar* is available at: www.thelearningbar.com

If you have any questions about the parent survey, please contact CESE via email: TTFM@det.nsw.edu.au or by telephone: **1300 131 499**.
