Year 6 Polo Shirt 2024

Dear Parents and Carers of Year 6 students,

To commemorate their final year of primary school, we are offering students the opportunity to purchase a Year 6 polo shirt. The shirt will be able to be worn in the place of their usual sport uniform. The students are in the process of choosing their favourite design, which this year, will have an indigenous theme. The cost of the polo will be **\$50**.

In order to expediate the process, so the students get their shirt early in Term 2, please indicate if you wish to order, how many shirts you require and the size. **Please double check the size you require using the sizing chart included, allowing room for growth.**

If you are interested in purchasing a shirt, please indicate below along with your child's size and return details by **Friday 9th February**. Payment can be paid immediately or by **Friday 23rd February**. Please understand that the earlier we get the intent and sizing the sooner our shirts will be available.

Kind regards,

Stage 3 Teachers

Mrs Justine Williams
Principal

Year 6 Polo Shirt 2024
