December 14 – Year 6 Farewell
December 16 – Final day for students. Yr 6 graduation assembly
February 1 2022 – Years 1-6 return
Feb 2-4 – Kinder students Best Start Assessment Days.
February 9 – Swimming Carnival at Roselands Pool

Principal's Message

Thought for the Week...

**“Education is not preparation for life;
education is life itself.”**

~ John Dewey ~

It's hard to believe it is almost the end of the year. Thank you again for your ongoing support this term as so many things have changed and required us all to adjust. We really appreciate your patience and understanding through this journey. Attached to this newsletter is a note containing the latest important information in relation to the Department of Education's COVID guidelines and COVID-safe school practices.

Year 5 Leadership Day

Congratulations to our Year 5 students who recently participated in 'Leadership Day'. Led by Mrs Harris and Mr Walker, our Year 5

students experienced a range of collaborative activities aimed at developing their

understanding of what qualities are found in effective leaders. They also heard from our current student executive about their roles and responsibilities and provided words of wisdom to their peers. Our Year 5 cohort then nominated their peers for a role on the student executive team for 2022. The successful students who proceeded through to the voting process, prepared and delivered wonderful speeches articulating why the LPS student body should vote them for captain in 2022. **Well done to Georgia, Gabriella, Allie, Aisha, Marcus, Kieran, Riley and Ethan who have been selected as the student executive in 2022!** The outcome of the voting process to determine captains, vice captains and prefects will be announced at our Presentation Day Assembly on Thursday, 9th December. Well done to all of our Year 5 students, who have embraced the mantra that not all leaders wear a badge or have a title. We look forward to all of our 2022 Year 6 students modelling positive leadership to their younger peers.

Students Enrolling and Departing

We appreciate the families who have informed us of their plans and school changes for next year. It has been helpful as we work through the class formation process. Please email the school if you will be leaving the school at the end of the year. We are still accepting enrolments for 2022 from Kindergarten to Year 6. Please let your family and friends know that if they are seeking enrolment at the school for 2022, they need to contact our school as soon as possible.

Kindergarten Transition for 2022 students – ‘Leap Into Lugarno’ Transition Program

We are looking forward to the third and final session of our "Leap Into Lugarno" Kindergarten transition program tomorrow, Wednesday 1st December.

Please access our designated drop-off and collection point at your child's allocated time through the large double gates on Lugarno Parade. For COVID safety, we request adults wear a face mask while dropping off and picking up students. As per current Department of Education directives, only one fully vaccinated adult is to accompany each child/family to the transition visits. We ask that you sign in using the QR codes attached to the gates and provide proof of vaccination status on request. We will also confirm your child is well before entry. This may include signing of enrolment forms. The 2022 Kindergarten students will then be taken to the classrooms for their orientation and transition activities.

When you drop your child off, could you please ensure they have a labelled backpack containing a water bottle, a small container of chopped fruit or vegetables and a change of clothing in case of an unforeseen toileting accident.

For your convenience, we will once again have a uniform display at the drop off point for you to view the various uniform options and make an online order. An information pack/"showbag" will also be given to each child.

We look forward to parents joining us for our next parent information session at 5pm via Zoom on Thursday, 2nd December.

Class Placement 2022

If you have any specific information that the school needs to be aware of in regards to your child's class placement for 2022, this needs to be put in writing and addressed to the Principal as soon as possible. Please be aware that requests for placement with specific teachers will not be considered except in exceptional circumstances.

If you provided information in relation to previous school years, please be aware that you will need to contact us again in relation to the 2022 school year as these considerations are looked at annually.

ICAS Award Winners

We have now received the ICAS writing results. for Congratulations to our many students who participated in the 2021 ICAS Competitions, many of whom attained fantastic results! A list of students who attained a Credit, Distinction or High Distinction appears later in this newsletter.

No sharing of food

Due to COVID guidelines we kindly ask that you please refrain from sending food items into school such as candy canes or lollies for other children.

Uniform Shop

The Uniform Shop continues to remain closed for on-site purchases. Uniform Shop orders can be placed online via Qkr! and will be distributed via classrooms. If you have any questions, or are interested in second-hand uniforms, please send an email to: uniformshop@lugarnopandc.org.au. Our Uniform Shop Coordinator, Janette Allardyce-Walker will get back to you as soon as possible.

Morning Supervision and Morning Drop Offs

A friendly reminder that there is no teacher supervision before 8.30am. We have had a number of children arriving well before 8.30am this week. Please refrain from sending students prior to 8.30am. If you require before school supervision/care, please book in with our OOSH facility. Bookings can be made by calling ph: 0411 137 833.

Morning drop offs – Please ensure K-2 students are dropped off between 8.30-8.50am and enter through the Lugarno Parade gate.

Please ensure students in 3-6 are dropped off between 8.30-8.50am and enter through the Old Forest Rd gate.

Any students who arrive after the 8.50am bell, need to enter through the front office to obtain a late pass. Please ensure that if your child is late, that a note or email explaining the reason for your child's lateness is sent to the school.

Drop off and pick up COVID safety

We are using a staggered pick-up schedule and multiple exit points to minimise the congregation of parents and families outside the school. Could you please help keep our community safe by not lingering after the school bell and exit the pickup zone as quickly as possible. Thank you.

Virtual Assemblies

Our next virtual assemblies will be held this Friday, 3rd December via Zoom.

There will be a K-2 assembly at 10.00am and a 3-6 assembly at 11.30am. Zoom links attached to the newsletter.

PSSA Uniforms

Please ensure all PSSA Uniforms are washed and returned to school as soon as possible. Thank you.

Have a great week and stay safe LPS!

Mrs Williams

Principal

Dates for your diaries

Please note that dates are correct at time of publishing but subject to change and subject to COVID guidelines and restrictions.

Term 4, 2021

Week 9

- Wednesday 1st December – Session 3 of our ‘Leap Into Lugarno’ Kindergarten Transition Program – please see information emailed to parents
- Thursday, 2nd December – virtual parent information session for Kindergarten 2022

Week 10

- Thursday, 9th December – Presentation Day Assemblies for Stage 1, 2 and 3 – please note that these will be student and staff events only but filmed for parents to view at a later stage. Please See attached COVID guideline information. **Students are asked to come in full school summer uniform.**
- Thursday, 9th December – Semester 2 Reports sent home
- Friday, 10th December – Kindergarten presentation and graduation assembly — please note that this will be a student and staff event only but filmed for parents to view at a later stage. Please See attached COVID guideline information

Week 11

- Tuesday, 14th December – Year 6 Farewell – more details to come
- Thursday 16th December – final day for students; stage-based talent quests; Year 6 graduation assembly and clap out — please note our year 6 Graduation Assembly will be a student and staff event only but shared via Zoom for parents to view. Please See attached COVID guideline information.

2022

Week 1, Term 1

- Tuesday, 1st February, 2022 Years 1-6 students return
- Wednesday 2nd February- Friday, 4th February, 2022 Kinder students ‘Best Start’ Assessment interviews – each student will be allocated a day and time

Week 2

- Monday, 7th February – all 2022 Kindergarten students officially commence
- Wednesday, 9th February, 2022 – Swimming Carnival at Roselands Pool

Notes

Please note that you can download notes from our website. If students need a copy of a note from the office, there will be a charge of 50c.

Spare payment envelopes are available from the office.

Kids in the Kitchen

Milo Muffins

Ingredients

- 1 3/4 cups self-raising flour sifted
- 1/2 cup milk choc bits
- 1/2 cup white choc bits
- 1 1/4 cups milk
- 75 g butter melted
- 1 cup Milo
- 1 egg

Method

1. Combine sifted flour and choc bits in a bowl.
2. Combine milk, butter and Milo. Add to dry ingredients with lightly beaten egg, mix well.
3. Spoon mixture into deep lined muffin pans.
4. Bake at 200C for 20-25 minutes.

LPS LIBRARY NEWS

TERM 4, WEEK 9

From 'The Hub'

Library this term was a little unusual and very flexible with fluid library days. Thank you to all the students who borrowed both eBooks and library books this year. Borrowing numbers increased from 2020 which is wonderful! Special mention to class 2R for their excellent borrowing record and their reward of an afternoon of 'Minecraft Education' learning.

As mentioned previously, a library website has been created to showcase students work and new book releases. I am happy for any student to send me a photo and book review blurb for the website.

Click on the link below to check it out.

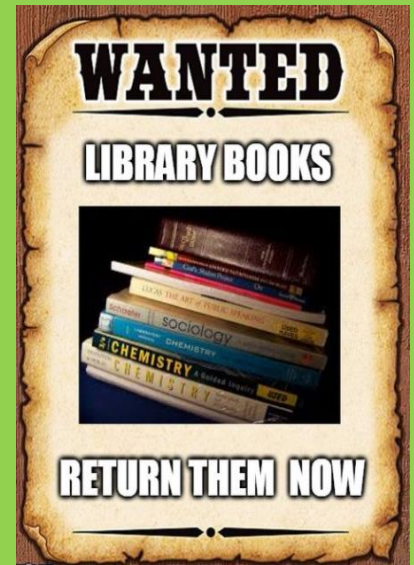

<https://www.lps-thehublibrary.com/showcase>

Friendly REMINDER

Would all LPS families please check for library books and return them to school this week (Week 9). We are conducting our annual stock take in week's 10 & 11 and it makes our job much easier if we have all our books returned prior to commencement.

Thank you for your assistance in this matter.

Welcome to
THE HUB

LPS Library Activities

Annual Stock take in Week
10 and 11.

2021 NSW PREMIER'S READING CHALLENGE

Premiers Reading Challenge closed at the end of August and certificates will be distributed later in the year. Congratulations, to all of K-2 as they have all qualified for a certificate this year and to those avid 3-6 readers who have logged their own books and completed the challenge again. All Gold, bronze and platinum will be presented at this year's presentation day. Well done!

[Kids Teaching Kids conference 2021](#)

Lugarno Public School was fortunate enough to be invited to the 2021 Kids Teaching Kids Conference. The Kids Teaching Kids program has been running for over 22 years. The aim of the program is to promote positive wellbeing and help build resilience in young people. It raises awareness and drives action on local and global environmental issues, bringing communities together to solve common challenges and help our students to become leaders who will take collective responsibility for our future.

We were invited as a presenter for the Minecraft Education world we built that included Indigenous perspectives in our local area. Our world focused on H.V. Evatt Park, Glenlee Farm and the Georges River. Our first entry into the Indigital program was very successful and based on this we received an invitation to adapt our Minecraft Education World to focus more on the Georges River and an issue that was impacting the water quality. The Stage 3 students in this group researched major causes of pollution in the Georges River and discovered the main cause was from storm water runoff. They decided to build gross pollution traps (GPTs) into the world to filter rubbish along the river.

This program required the students to create a lesson that would demonstrate the impact of pollution in the river, teach the lesson through a video recording and then brainstorm an idea to leave an 'action legacy plan' for Lugarno Public School. The students decided on a 'rainwater garden' to help filter pollution before it reaches the storm water on our school property and drafted a plan to put this in place for 2022.

The students enjoyed listening to guest speakers Eddie Betts, Costa Georgiadis & Lucy Skelton and their inspirational stories about leadership, the environment and sustainability and most importantly how one person can make a difference.

#KidsTeachCon21 Objectives

			
Build	Increase	Establish	Provide
the existing program to offer a comprehensive action peer-teaching program	environmental and sustainability literacy within schools across Australia	solid understanding of the threats to the environment with a view to their protection by generating action	young people with opportunity to develop their leadership skills and into the future
