### World Teachers' Day!

This Friday, Australian schools celebrate World Teachers' Day. It is a privilege to lead and work alongside our outstanding teachers at LPS. I encourage our school community to take a moment to say "thanks" and recognise and acknowledge our hardworking teachers for the wonderful care and commitment they show each and every day.

## Swarovski Water School

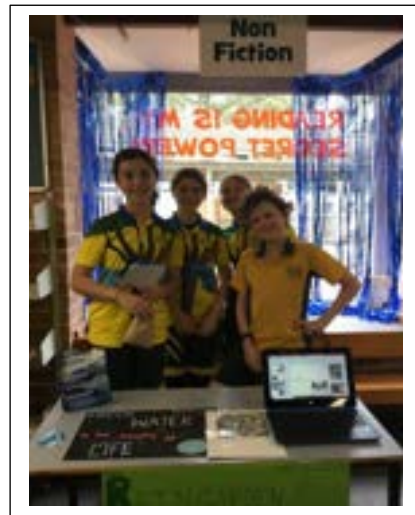

Last Friday, our Stage 3 students showcased their wonderful learning as part of the Swarovski Water School Global Program. This program focuses on environmental water issues that affect different communities all around the world. Our aim was to focus on local water issues.

We were fortunate to also have special guests, Simon Kolb and Hannah Gentle visit us. Simon Kolb is the Global Manager for the Swarovski Water School program, and lives in Austria. He has travelled to all the way to Australia to evaluate the Swarovski Water School Australia program, to visit us at Lugarno PS and to attend the Swarovski Water School flagship event next week.

Hannah Gentle is the Program Manager for Education at Earthwatch and manages the Swarovski Water School program here in Australia. Hannah visited Lugarno PS earlier this year to help create our water education peer-teaching workshops and will host the Flagship Event next week where students from across NSW (including our Semester 2 Stage 3 enrichment group) will meet at the Georges River Environmental Education Centre to teach one another about their local water challenges and inspire collective action to help overcome them.

This initiative has been an exciting one for our Stage 3 staff and students. Led by our highly dynamic and innovative Teacher Librarian, Mrs Dufty, our students have had access to rich real-world learning, an opportunity to collaborate, think creatively and critically, explore sustainability issues in relation to their local context and share this important learning with others. I commend the outstanding work Mrs Dufty, our Stage 3 students and staff have done as part of this project and it was wonderful to showcase it to parents in the library last Friday afternoon.

**Please note that as Mrs Dufty will be at the Swarovski Flagship Event this Wednesday, there will be no Tech Club before school or Minecraft Education Club at lunch this week.**

## Calendar Dates

Included once again in this newsletter, is an overview of dates and activities coming up this term, as well some important dates for Term 1, 2023 (dates are correct at time of printing).

As we near the end of the year, I want to thank you for your ongoing support and notify you of a date change for the last day of Term 4 classes.

Students will now finish school on Friday 16 December 2022.

This is due to an additional School Development Day announced for staff across NSW public schools.

School Development Days allow our staff to participate in professional learning that was put on hold due to COVID-19 staffing pressures and plan ahead for 2023 to ensure we meet the needs of our students.

With this change, we ask that you arrange alternative care for your child on Monday 19 December.

You can find local vacation care services for your child via the Before and After Care School Finder

<https://finder.service.nsw.gov.au/>

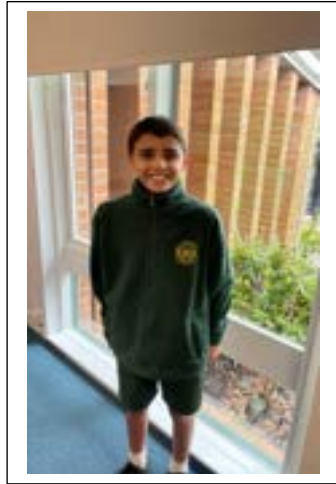

## **Assistant Principal Curriculum and Instruction**

Congratulations to Mrs Erin Loh who was successful following a merit selection process in being appointed to Lugarno PS in the newly created role of Assistant Principal, Curriculum and Instruction (0.6) in 2023. Literacy and numeracy skills are the key to success across all curriculum in our schools. To ensure all children and young people have a strong foundation in literacy and numeracy, deep content knowledge and confidence in their ability to learn, adapt and be responsible citizens, the department is introducing over 1,300 Assistant Principal, Curriculum and Instruction roles, with the roles beginning in 2023. The Assistant Principal, Curriculum and Instruction role will support our already strong instructional leadership model at LPS, coordinating professional learning for teachers, monitoring student outcomes, and supporting families to be key partners in student learning. Mrs Loh has a wealth of knowledge around syllabus, teaching and learning and we are very fortunate to have her in this role and look forward to welcoming her to the LPS team next year. Thank you to Mrs Athina Malakonakis (staff representative), Mrs Melissa Porter (P&C representative) and Mr Alan Day (Director's representative Lalor Park PS) who helped form part of the panel in the selection process.

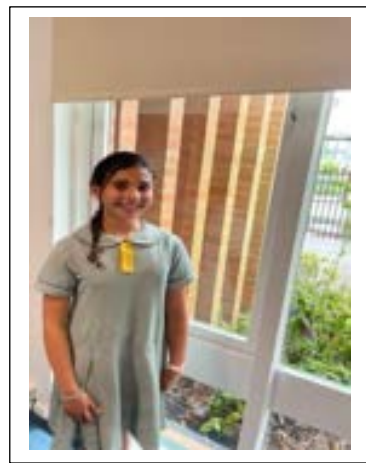

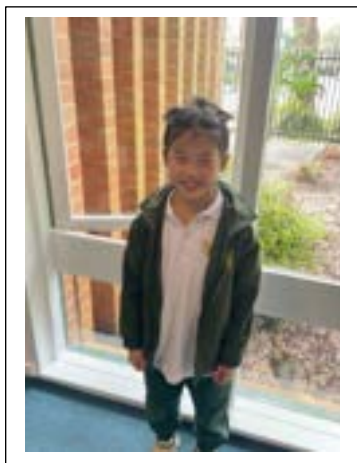

## **Great work Marcus!**

Congratulations to Marcus C who recently competed at the National Oz Tag Championships at Coffs Harbour. We are very proud of your outstanding achievement, Marcus!

## **Well done Zahra and Chelsea!**

Congratulations to Chelsea W and Zahra M who were selected as the Stage 2 and Stage 3 representatives for the Georges River Network Public Speaking Competition. Yesterday, Chelsea and Zahra presented their prepared speeches and an impromptu speech. They did a wonderful job and we are really proud of their efforts!

## 2023 Enrolments

To assist with our planning for 2023, if your child will not be returning to LPS next year, could you please inform the school in writing as soon as possible. Thank you.

## Class Placement 2023

If you have any specific information that the school needs to be aware of in regards to your child's class placement for 2023, this needs to be put in writing and addressed to the Principal. Please be aware that requests for placement with specific teachers will not be considered except in exceptional circumstances.

If you provided information in relation to previous school years, please be aware that you will need to contact us again in relation to the 2023 school year as these considerations are looked at annually.

## Grandparents' Day Event this Thursday

We are looking forward to our grandparents joining us this Thursday to celebrate Grandparents' Day. Please see attached flyer for more details.

## School Photo Day – Get Your Smiles Ready!

## **P & C Meeting and the Inclusive, Engaging and Respectful Schools (IER) Reform**

Our next meeting on Wednesday 16<sup>th</sup> November will be held in the school library and will be the AGM.

Attending P & C is a great way to find out about what is happening in the school and join a dynamic and supportive group who are motivated to help our little school to be the best it can be. Newcomers are always welcome, so please consider coming along.

## **Painting and Maintenance Work**

You may have noticed a lot of painting happening in the school at the moment. This work is part of our planned maintenance. Painting work continues throughout the school with several internal and external areas still to be completed. The replacement of cupboards, benchtops and floor coverings in 5/6M and 5/6W is also due to occur shortly.

## **Name our Canteen Competition**

All students are invited to participate in a competition aimed at naming our school canteen and coming up with design ideas for signage. Please see attached information for further details.

## **Driving and Parking Safely near School**

The safety of our students is a priority. School opening and closing hours are busy times for pedestrians and vehicles outside the school. Please ensure that you park safely and legally at all times even if it means walking further to the school gate. Please observe all parking signs. Parking in our staff carpark for picking up and dropping off students is prohibited, as is using the carpark near the K-2 classrooms as a thoroughfare. Please also be respectful of our neighbours and ensure that you do not park across their driveways. Thank you for your support.

## Chicken fajita roll-ups

Featured in: [Sandwich alternatives](#)

Preparation time: 30 minutes

Serves: 4

0.5 serves of vegetables per tortilla

Diet and Allergies: [Nut Free](#)

### Ingredients

- ½ avocado, mashed
- 100g cooked chicken, finely chopped
- 2 tsp our Healthy Taco Seasoning Mix (see recipe)
- 4 wholemeal tortillas
- ½ cup reduced-fat cheddar cheese, grated
- 1 cup lettuce, finely shredded
- ½ carrot, peeled, finely grated
- ¼ green capsicum, finely sliced
- ½ tbsp spring onion, finely chopped

#### *Healthy Taco Seasoning Mix:*

- 1 tsp garlic powder
- 1 tsp onion powder
- 1 tsp dried oregano
- 2 tsp paprika
- 6 tsp ground cumin
- 2 tsp salt
- ½ tsp ground pepper

### Method

To make the Healthy Taco Seasoning, mix everything together in a small bowl. This recipe makes bulk seasoning, store in an airtight container until required.

Combine the avocado and 1 teaspoon taco seasoning in a bowl. Combine the chicken and another teaspoon of the taco seasoning in a separate bowl.

Working with 2 tortillas at a time, place in the microwave for 20 seconds on high to soften.

Evenly spread the tortillas with the avocado mix, sprinkle with cheese, chicken, lettuce, carrot, capsicum and spring onion. Roll up tightly. Place seam side down on a tray and repeat with remaining tortillas.

# LPS P & C Grandparent's/Senior's Event

## Thursday 27<sup>th</sup> October 2022

As a result of a successful NSW Senior's Festival Grant application, we are holding a special day at school for our grandparents to coincide with National Grandparent's Day. If students do not have a grandparent they can bring along on the day, they may wish to bring a special senior in their life (neighbour, great aunty etc). All students will still get to make a keyring and can take home to give to a special senior if no one is available on the day so no child will miss out.

**Time:** 10am – 10:50am special guests to head to student's classroom to join students in making a keyring for our special guests to take home.

10:50am – 11.20am morning tea under the COLA with the Honorable Mark Coure, MP, Minister for Seniors.

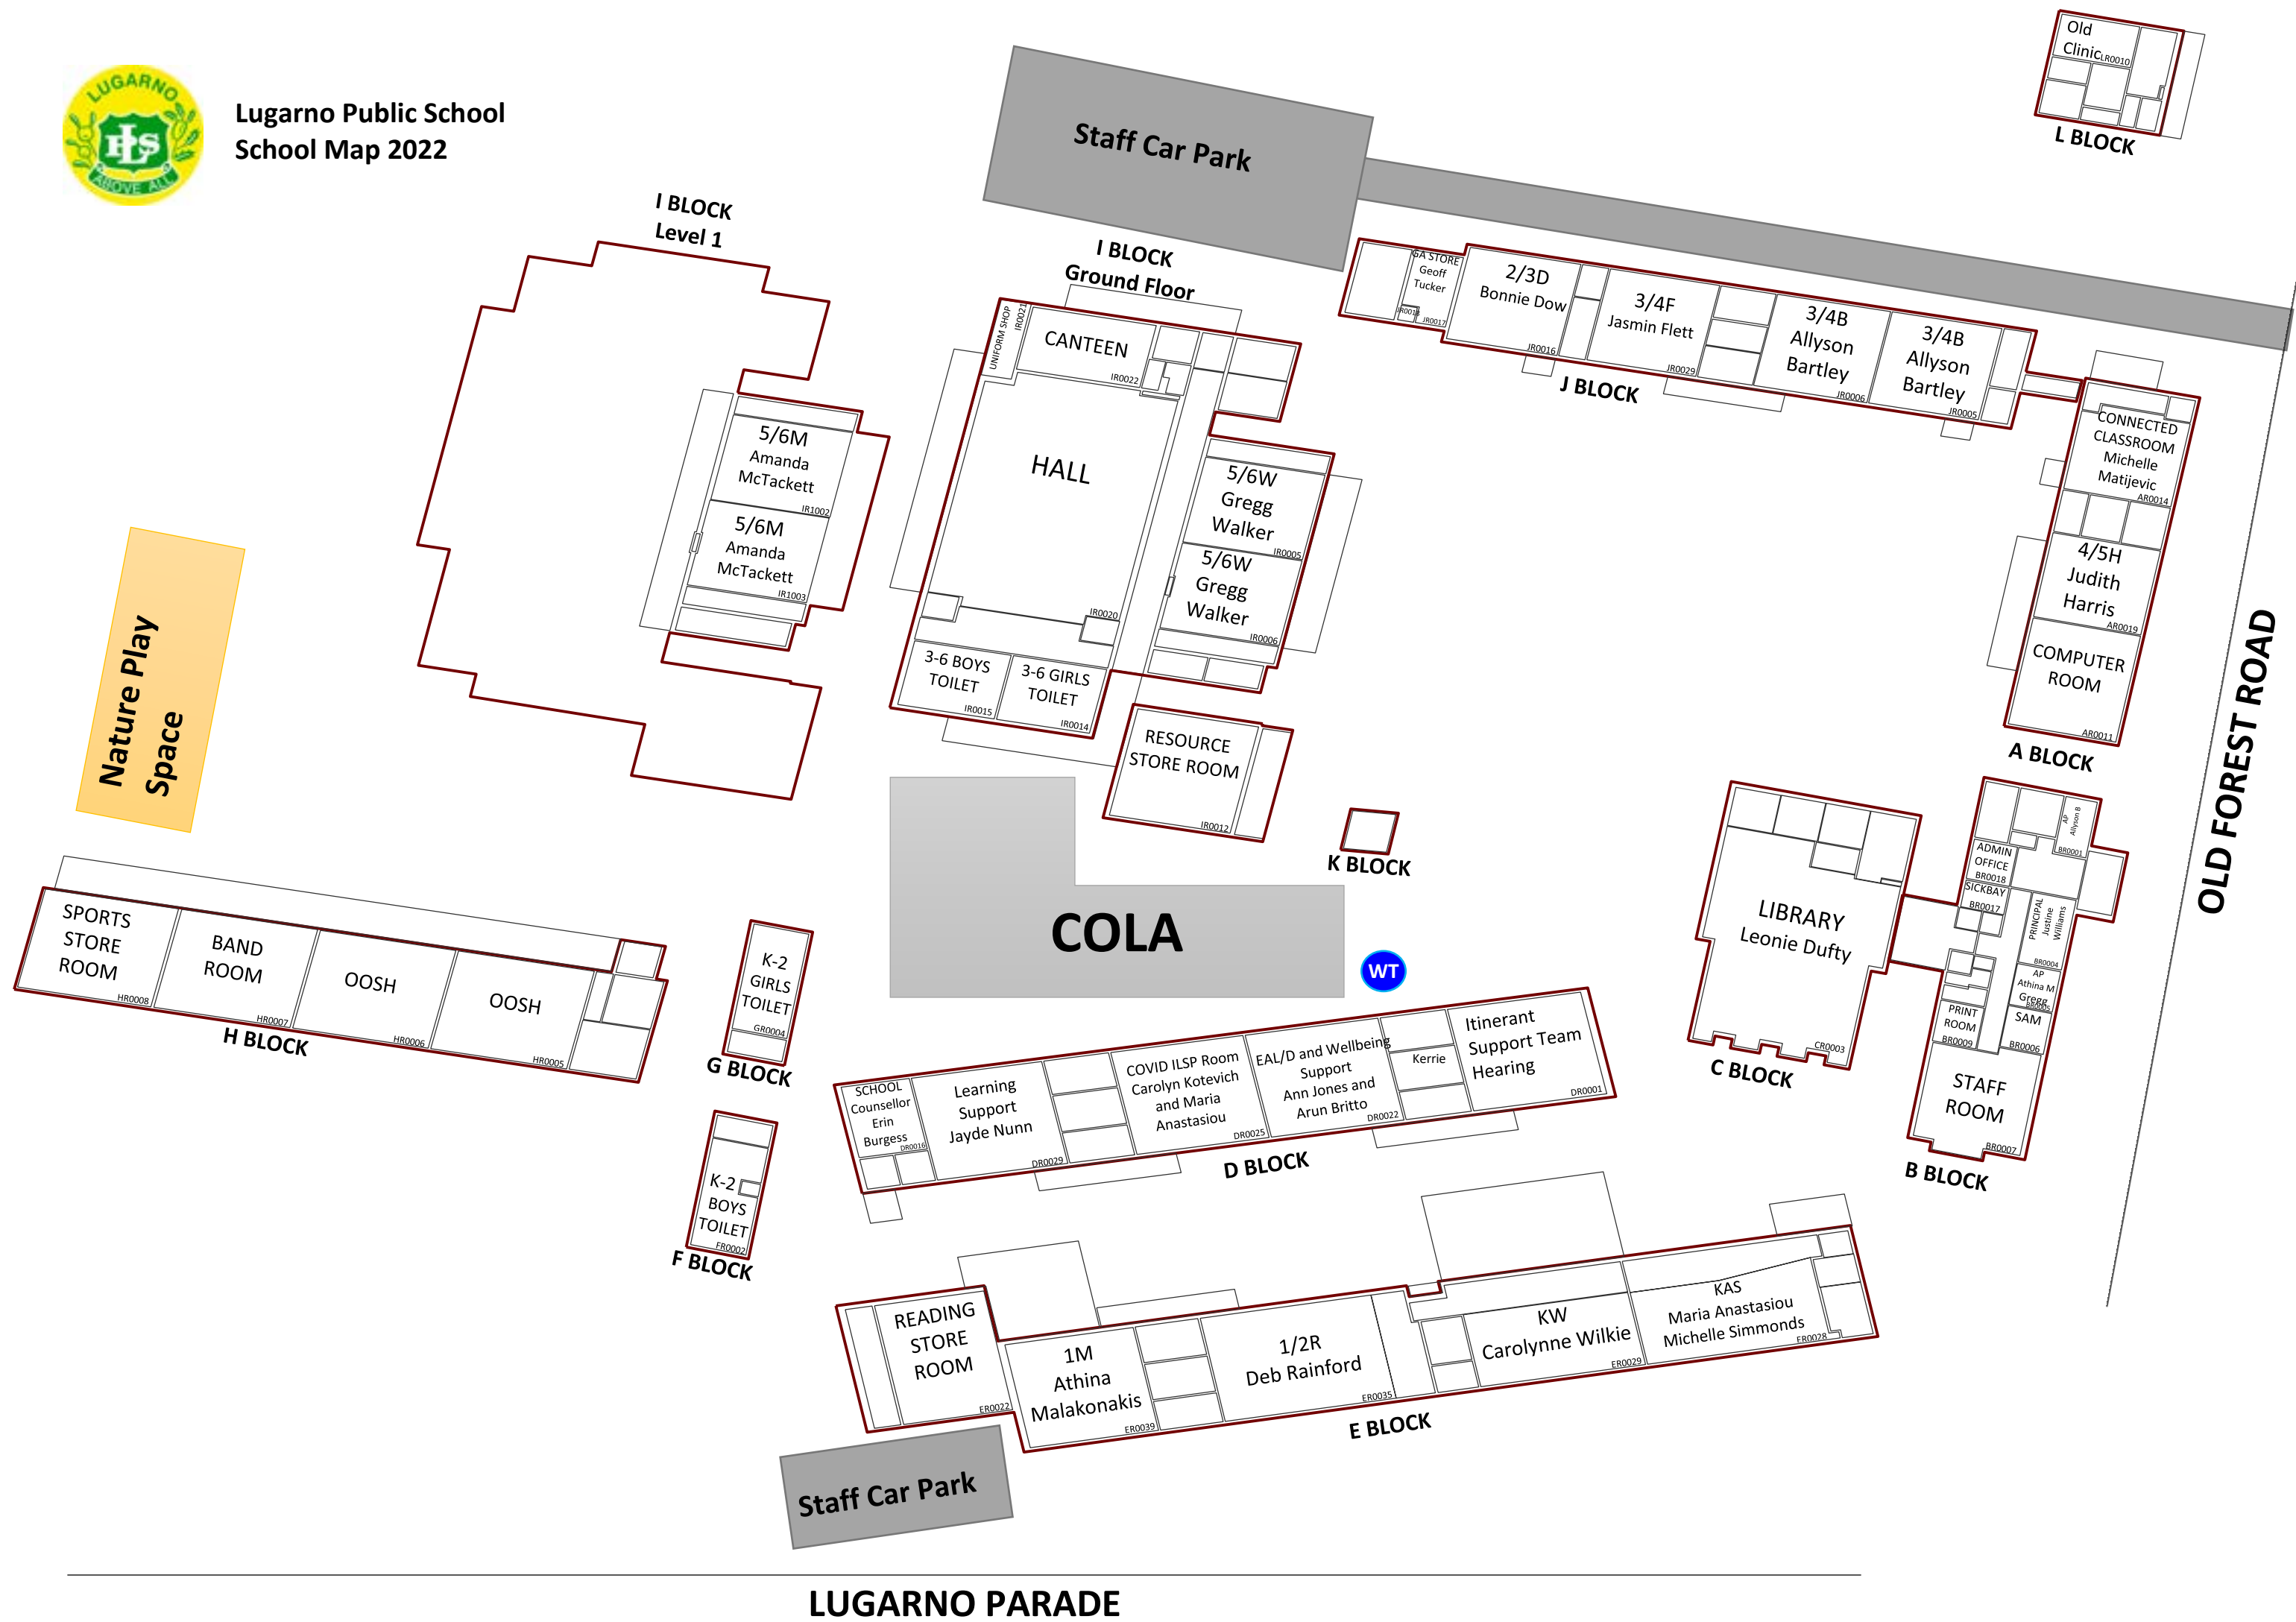

**RSVP:** This is a free event but please RSVP for grandparents/special senior guests only via Qkr! by 21<sup>st</sup> October to assist with catering.

**Attention Parents:** Would you like to see what happens on the day ... sign up to help out either in your child's classroom to help with the keyring making activity or with morning tea: <https://signup.com/go/fNSXHrg>

## Inclusive, Engaging and Respectful; Schools Package

---

### New policies, procedures and framework to keep students engaged in learning at school

The Inclusive, Engaging and Respectful (IER) Schools package was announced in February this year by NSW Minister for Education and Early Learning, Hon Sarah Mitchell.

It centres on three new policies and procedures and a framework that together set the guidelines for how we ensure all children and young people can learn through public education in a safe and engaging way. The IER Schools package includes the:

- ✓ Inclusive Education Policy for students with disability
- ✓ Student Behaviour Policy and Procedures
- ✓ Restrictive Practices Framework and Restrictive Practices Reduction and Elimination Policy and Procedures.

With these new policies, we want all students to:

- be included in all aspects of school life and supported to learn to their fullest capability
- be supported in engaging, respectful, and effective classrooms with positive and inclusive practices
- feel welcomed, valued and safe in our schools and classroom

Two of the policies are new: the Inclusive Education Policy; and the Restrictive Practices Framework and policy. Both clarify *existing* legal obligations, effective, appropriate and prohibited practices, and the rights of students, parents and carers.

The Student Behaviour Policy replaces the Student Discipline in Government Schools and Suspension and Expulsion Policy. The key change is the approach all NSW public schools will take to address disruptive or inappropriate behaviour by a student. The duration of a suspension will be reduced along with the number of suspensions across a school year. Every school will be able to draw on the support of a range of staff including behaviour specialists to effectively address issues resulting in these behaviours in order to prevent future escalations. We will continue to work closely with you and all our families.

It does not mean, however, that students who are violent or seriously disrupt the learning and wellbeing of others will be kept at school. Any student who puts the safety of other students, teachers and staff or visitors at risk of harm – will be suspended until it is safe for them to return.

The Inclusive Education Policy for students with disability and the Student Behaviour Policy become operational in Term 4, 2022 and the Restrictive Practices Policy becomes operational in Term 1, 2023.

The staff and I are reviewing our current approach to all of the areas covered by these policies, and wish to share any changes we believe need to be made with you in the near future.

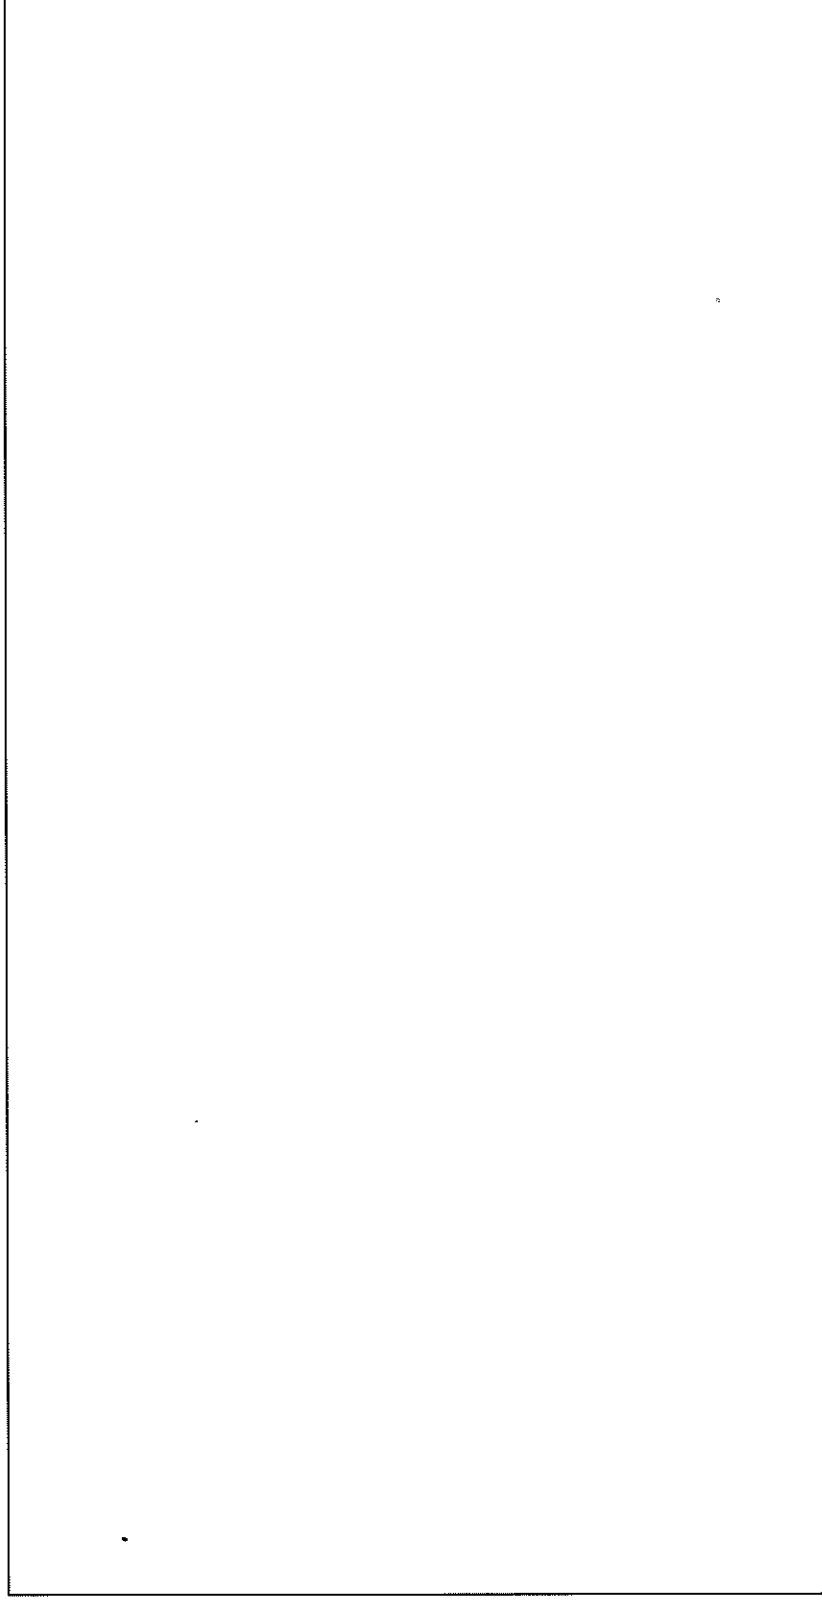

Our school already takes a strong, positive student-centred approach, but we want to work with you to ensure, together, every student has the right support at the right time to help them grow into confident, resilient adults.

For more information on these policies, please visit the [NSW Department of Education website](https://www.education.nsw.gov.au).

## Mini Fete and Mufti Day

Dear Parents/Carers,

On Thursday, 3<sup>rd</sup> November, Stage 3 will be holding our annual mini-fete day to help Year 6 raise funds for their Year 6 farewell. They have been busily planning and preparing the organisation of their stalls and activities and everyone is looking forward to a wonderful, fun -filled day.

All students K-6 will have the opportunity to participate on this day in a variety of activities including: obstacle courses, guessing competitions, food stalls, sponge throwing, hair and nails and much more.

On this day all students are able to wear mufti. Each stall/activity will cost approximately \$1 to \$2. Students are asked to bring in coins instead of notes so that the students have change.

It will be lots of fun and we hope students will enjoy it. The fete will be starting after recess and will run until lunch.

Regards,

Stage 3 teachers and students

Justine Williams  
Principal

## Intention to apply for Year 7 placement in a selective high school in 2024

Dear Parent/Carer,

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability, and by using specialised teaching methods.

If you would like to have your child considered for Year 7 selective high school entry in 2024, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply and the link to the online form will be available in early-October 2022 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

Applications open on 18 October 2022 and close on 16 November 2022. You must apply before the closing date.

You must submit only ONE application for each student.

The Selective High School Placement Test will be held on **Thursday 4 May 2023**.

**The tear-off slip below is NOT an application, it is advice to the school that you intend to apply. The school CANNOT apply on your behalf.**

Yours sincerely,

Justine Williams

Cut along the dotted line and return the completed slip below to this school by 9<sup>th</sup> November.

## Ethics classes at Lugarno Public School in 2023

Dear parents and carers,

The demand for Ethics classes at LPS continues to grow.

We now need volunteers to step forward so that children in all stages who have expressed an interest in attending Ethics, can participate in the program in 2023. Please be aware the classes cannot run without volunteers. We need three volunteer teachers, one of whom will take on the role of coordinator.

**Could you or someone you know be an Ethics teacher for Lugarno Public School?** Don't be put off by the title – the job involves facilitating a discussion with the children! It's fun, interesting and insightful. Volunteers are provided with all the required materials, including discussion points, to run the half-hour class each week.

Ethics teachers receive full (free) training by Primary Ethics consisting of a two day workshop and short online modules. Curriculum and access to teaching resources is provided. Suitable volunteers have an interest in developing children's critical thinking skills and must be available at 9:00am-9:30am and/or 9:30am-10:00am on Tuesday each week.

In Ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topics such as:

- Imagining how others feel
- How do we treat living things?
- What is laziness?
- How do we disagree in a respectful way?
- Fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit [www.primaryethics.com.au](http://www.primaryethics.com.au) and/or contact me via [nutrition@thefoodexpert.com.au](mailto:nutrition@thefoodexpert.com.au)

## Sea the Change Youth Art Competition

Grab your craft supplies along with your imagination and show us how you can help to stop ocean litter at the source.

Ocean litter is one of the biggest threats to our amazing marine life, but we believe that young people can bring on a new wave of change.

So we're calling on young people to be the change they want to 'sea' and to get creative for a cause. Children aged 18 and under are invited to design a poster, video or artwork that shows how a common ocean litter item could be repurposed or reinvented, to create positive change for our environment.

There are a range of fantastic prizes on offer, and prizes will be awarded to the best individual and group entries in three age groups:

- 8 years old and under
- 9-12 years old
- 13-18 years old

Competition open until December 2nd, 2022.
