TREE PLANTING DAY

FRIDAY 29TH JULY 2022 (ALL DAY)

Not long now for our exciting event!

This event was cancelled twice in 2021 due to lockdowns. Fingers crossed it will be a dry clear sunny day so that we can enjoy participation for the 1st time and introduce more native shrubs (including some bush tucker plants) in 3 key site areas on the school grounds (near the library, garden shed & back gate).

There will be additional guest talks by external community groups to educate the students and raise sustainability awareness. We invite all parents and community locals to join us to plant and engage in the day's additional activities. Confirmed visitors include MP's David Coleman & Mark Coure, Councillor Peter Mahoney, staff from corporate sponsor Fergusons Toyota Hurstville, Padstow Rotary and Oatley Flora & Fauna Conservation Society.

Beverages and light lunch will be served by the P&C in the hall at 1pm. At the end of the day, every LPS student will be able to take home a native seedling in a pot plant, kindly donated by Bunnings Padstow.
