LUGARNO PUBLIC SCHOOL P & C ASSOCIATION NEWSLETTER

Term 2, Week 6, 2023

President's Message ….

Thank you to everyone who joined our last P & C meeting. It was a fantastic meeting … and we were finished in 45 minutes!! If you have been thinking about coming along, please join us for our next meeting on 21st June. No need to RSVP, just turn up on the night.

We have had a great response so far for our annual LPS student disco. It is set to be an amazing night with spectacular lighting and decorations.

Tomorrow in school bags will be notes for our athletics carnival lunch order and a list of items available to purchase at the disco should parents wish to send some extra money with their child.

Finally, don't forget to grab your tickets to our parents' comedy night out. It will be a fun night with plenty of laughs all while raising money for our school. Seating is theatre style rows, so no table groups are required. Please note these tickets are to be purchased via the 'Comedy for a Cause' website (see link below) and not via Qkr!

Regards,

Mel Porter
(president@lugarnopandc.org.au)

MURAL

Hopefully most parents have had a chance to see our new mural on the wall near the COLA. By all accounts the kids love it! For those interested in knowing a bit about the artwork itself, please see below from the artist, Zachary Bennett-Brook:

The artwork features a bold White dotted section throughout the design which has a number of circular sections which link up with those around, in my work these circles represent groupings of people and in an educational setting they can reflect the different classes and year groups. Having them all connected highlights the travelling aspect as it symbolises students learning moving up through the grades at School. The second style which is featured in your work is what I call Community and these feature between the travelling lines. These sections are made up of a number of groupings of people which are all overlapping, having these overlapping highlights everyone working together cohesively in a supportive learning environment. Finally the colours of your artwork link in nicely with School colours but also reflect the Traditional Land under our feet and amazing natural environment surrounding your School.
